The 2006 International Symposium on Communications, Control and Signal Processing (ISCCSP '06) will be held at the *KENZI FARAH* Hotel, Marrakech, Morocco. Its purpose is to be a forum for technical exchange among scientists, with common interests in control, communications and signal and image processing. Marrakech is one of the four Imperial Cities of medieval Morocco and belongs to UNESCO patrimony. We also hope every participant will have an opportunity to discover the fascinating city of Marrakech.

SCOPE: The technical program will include invited plenary lectures, regular technical sessions, and special sessions covering the three major tracks: **Control, Communications and Signal Processing.**

CONFIRMED PLENARY SPEAKERS:

- ✓ K. Diepold, Germany
- ✓ F. Foutouhi, USA
- ✓ V. Kucera, Czech Republic.
- ✓ M. A. Lagunas, Spain.
- ✓ R. Scholtz, USA
